

His heart

IS IN THE RIGHT PLACE

The Sheboygan area is a wonderful place to live and work. So it's natural that expert cardiologist **Robert M. Horth, MD, FACC, FASNC**, has chosen to practice here. He is proud to be your new neighbor and to join Coulis Cardiology's team of leading specialists this spring. Board-certified in cardiology, nuclear

cardiology, cardiovascular computed tomography, echocardiography and internal medicine, Dr. Horth has the breadth and depth of experience and training to care for the heart health of all patients.

As the region's only independent cardiology practice, Coulis Cardiology has been setting the pace for excellence and innovation in the heart of Sheboygan for more than 15 years. For more information or to schedule an appointment, call (920) 458-9800 or visit www.couliscardiology.com.
